

## **Health/Genetic Guarantee**

### **Breeder's Responsibilities:**

1. Applegate Valley Bernedoodles guarantees that the puppy is in good health at the time of transfer of ownership to the Buyer. The Buyer must have the puppy examined by a certified veterinarian within one week of taking ownership of the puppy. If the veterinarian discovers any pre-existing conditions (not including parasites such as worms), the Buyer can choose to keep the puppy or return it to Applegate Valley Bernedoodles for a full refund. If the Buyer decides to keep the puppy, Applegate Valley Bernedoodles will reimburse all related veterinary costs up to the full purchase price of the puppy. Applegate Valley Bernedoodles reserves the right to get a second opinion from a certified veterinarian.

2. Applegate Valley Bernedoodles provides a warranty for 2 years from the puppy's date of birth for any genetic defects, providing that the Buyer meets all requirements listed in Buyer's Responsibilities below.

Should such a condition arise, Applegate Valley Bernedoodles will pay half of all vet bills pertaining to the genetic defect up to the purchase price of the puppy. All veterinary records must be supplied by the Buyer to Applegate Valley Bernedoodles. Applegate Valley Bernedoodles reserves the right to get a second opinion from a certified veterinarian.

### **Buyer's Responsibilities:**

1. The Buyer agrees to provide the puppy with a safe, loving environment and a nutritious diet.

2. Buyer agrees to take the puppy for a veterinary check-up within one week of purchasing the pup and following all preventative treatment recommended by the veterinarian including vaccinations.
